NEWS ALERT

Indiana Motor Truck Association Members,

In these challenging times, we are all navigating through uncertainty for ourselves, our loved ones, our communities and our industry.

Based on the uncertainty of many things during COVID-19, we have made the difficult decision to cancel the 2020 Indiana Truck Driving Competition, originally scheduled for June 6, 2020. Safety is our core focus at the IMTA and we are not willing to take a chance on the safety and well being of anyone involved. This event also requires alignment of many things, including venue availability, along with several months of planning and preparation by the IMTA Safety & Maintenance Council and its committees and volunteers. We are not able to do this in a way respectful to everyone who is involved in making this event a success.

American Trucking Associations (ATA) announced the cancellation of The National Truck Driving Championship and Step Van Competition, originally scheduled in August.

The Indiana Technician Competition is a separate event that is historically held simultaneously with the Truck Driving Competition. We do know this event will not be held on June 6, 2020, as originally scheduled, and will announce a formal update on this event by April 30, 2020.

We are sincerely grateful to all our members and your support during these unprecedented times and we continue to be here for you today and in the days, months and years ahead. Now we must support each other with great care and compassion.
