TRUCKING INDUSTRY POLITICAL ACTION COMMITTEE

February 15, 2018

Dear IMTA Member,

We had another successful TIPAC campaign in 2017. We met our goal and once again received contributions from members who had never before contributed to our PAC.

2018 is an election year and so far, there are 15 incumbent legislators who have announced they will not run for re-election. That opens up a lot of seats that are becoming very competitive. We will have a busy campaign season.

If you haven't heard, Larry Limp of LNL Trucking now serves as Vice Chair of the TIPAC Committee and Lance Riegle of Marvin Johnson and Associates now serves as Vice Chair of Events for the Committee. I look forward to working with them.

Enclosed is a form to complete and return with your company or personal check made payable to TIPAC. Your contribution will make a difference. Please consider making a contribution today.

Questions regarding this letter or questions about contributing to TIPAC may be directed to the IMTA office at (317) 630-4682 or to me at (317) 627-7137. We look forward to receiving your 2018 TIPAC contribution and to another record setting campaign that I know we will all be proud to represent.

TIPAC is a non-partisan, voluntary political action committee. Please contribute today!

Sincerely,

Dan Frieden
TIPAC Chairman
